

## POWER OF ATTORNEY

for The National Library of Sweden (*Kungl. biblioteket*) ("**KB**") or the party designated by KB in its stead, to represent \_\_\_\_\_ in matters pertaining to the licensing of electronic information resources, to the extent set forth below.

The power of attorney set forth above grants KB the same authorisation as vests in the principal in the matter, and includes, to the exclusion of other measures, a right for KB:

on behalf of the principal, to sign, negotiate and terminate licence agreements, receive and acknowledge receipt of funds and documents pertaining to any licence agreement; and

to review each item of confidential information or other information or document which, in KB's opinion, may have a connection to the licence agreement.

The power of attorney shall not confer any authorisation to receive, on behalf of the principal, any notice of termination, service of process, request for arbitration, or document whereby a matter is brought before a court or public authority.
